Is your Main Drain Cover SAFE?

President Bush has signed a new act called the Virginia Graeme Baker Pool and SPA Safety Act on December 19. Its purpose is to increase the safety of swimming pools and spas by requiring the use of proper anti-entrapment drain covers in pool and spa drainage systems. The following main drain covers **do not meet** anti-entrapment safety standards:

If your swimming pool has the above mentioned covers. Acqua Nita Services recommends that they be updated to meet the new standards. Please contact us so that we may schedule the installation of your swimming pool anti-entrapment main drain.

A Message from Ana

I continue to be both in the office and out in the field following-up on work orders and meeting you personally. Please continue to inform my staff and myself of unsatisfactory customer service you may receive. Customer Service is my number one priority. I also encourage you to let me know your compliments as well! Everyone likes to hear they are doing a job 'well done'.

Having a party? Let us know a week in advance so that we can schedule to come out that day instead of the normal service day. Weekends are an additional charge.
